

REMARKS:

Claims 1-28 are currently pending in the application.

Claims 1-28 stand rejected under 35 U.S.C. § 102(e) over U.S. Patent No. 6,708,161 to Tenorio, et al. ("Tenorio").

Reconsideration and withdrawal of the outstanding rejections is respectfully requested in light of the following remarks.

POWER OF ATTORNEY:

A Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address (PTO/SB/82) ("Revocation"), appointing practitioners associated with customer number 53184 and changing the correspondence address to the address associated with customer number 53184, was filed along with the previous Response on 27 March 2006 and the previous Amendment on 20 June 2005. However, to date Applicant has received no indication that that the Revocation has been entered, and the present Office Communication was incorrectly mailed to the address of Applicant's former representative. A copy of the Revocation and associated Statement under 3.73(b) is submitted herewith. ***Applicant respectfully requests that the Revocation be entered and further requests receipt of notice to that effect.***

OFFICE COMMUNICATION MAILED ON 17 JULY 2006:

In the Office Communication mailed on 17 July 2006, the Examiner stated that the reply filed on 27 March 2006 is not fully responsive to the prior Office Action because of a informality. Specifically the Examiner asserted "Applicant's remarks refer to a Declaration of December 6, 2006, which is apparently incorrect based on the recited date." (17 July 2006 Office Communication, Page 2). In addition, the Examiner stated that since "there are two declarations of record, applicant is requested to clarify which declaration is being referred to." (17 July 2006 Office Communication, Page 2). The Examiner further stated

that the Applicant may expedite response by fax submission. (17 July 2006 Office Communication, Page 2).

Thus, it is hereby clarified that the correct date of the Declaration being referred to is 18 November 2005. In addition, the Applicant respectfully directs the Examiner's attention to an amended portion of the response filed on 27 March 2006, including the correct Declaration date:

Telephone Interview

The courtesy extended by Examiner Rimell in granting a telephone interview on 26 January 2006 and a follow-up telephone interview on 2 February 2006 is noted with appreciation. During the telephone interview the Declaration under 37 C.F.R. § 1.132, filed 18 November 2005 (hereinafter "Declaration"), was discussed. The Examiner stated that clarification is required regarding the language presented in paragraph 5 of the Declaration. It was agreed that the Examiner would allow entry of the Declaration if a Response is filed providing the required clarification.

Thus, it is hereby clarified that the statement in paragraph 5 of the Declaration stating "relied upon by the Examiner" is a reference to subject matter in U.S. Patent No. 6,708,161 that is specified by the Examiner in the Office Actions mailed 23 February 2005 and 23 August 2005.

In accordance with MPEP 706.02(b), it is respectfully submitted that this Declaration obviates the rejection under 35 U.S.C. 102(e).

The Applicants respectfully request the Examiner to contact the undersigned, Steven J. Laureanti, at (817) 447-9955 if the Examiner has any comments, questions, or suggestions regarding this response to the Office Communication mailed on 17 July 2006.

For the reasons set forth herein, the Applicant submits that claims 1-28 are in condition for allowance. Therefore, the Applicant respectfully requests that the rejection of claims 1-28 be reconsidered and withdrawn, and that claims 1-28 be allowed.

CONCLUSION:

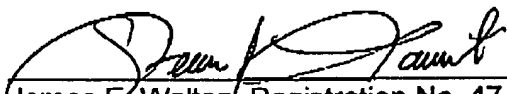

In view of the foregoing remarks, this Application is considered to be in condition for allowance, and early reconsideration and a Notice of Allowance are earnestly solicited.

Although the Applicant believes no fees are deemed to be necessary; the undersigned hereby authorizes the Commissioner to charge any fees that may be required, or credit any overpayments, to **Deposit Account No. 500777**. If an extension of time is necessary for allowing the Response to be timely filed, this document is to be construed as also constituting a Petition for Extension of Time Under 37 C.F.R. § 1.136(a) to the extent necessary. Any fee required for such Petition for Extension of Time should be charged to **Deposit Account No. 500777**.

Please link this application to Customer No. 53184 so that its status may be checked via the PAIR System.

Respectfully submitted,
